Picture	Description	Minimum Bid
	Lot # 248 - Plastic Model of the "Chrysler Corporation - Turbine Car" in the original box. An "authentic 1/25 scale model" with 3 pictures of the car on the box. The bottom of the box has "The Story of a Principle, a Promise, a Challenge, and an Engine". One way to get this model was to win it at the fair. One part of the Chrysler exhibit had a game with 20 boxes that would have one child stand in each box. The boxes were numbered 1 to 10, there were 2 boxes for each number. Then they would spin a wheel (actually I think it was a light that went around a circle of the 10 numbers) and it would stop on one of the numbers. The 2 children standing in the box with the same number won the model of the Turbine Car. That is how I got this one. Size: Box is 8 3/16" wide by 3" deep and 2 1/4" high. Car is 8" long.
